

**From Lower Austria to the World -  
on June 6, 2018, ecoplus International invited to annual event  
neuland "Summer Edition" at the Palais Niederösterreich**

Hosted by Dr. Gabriele Forgues, Managing Director of *ecoplus International*, and Dr. Petra Bohuslav, Province Councilor for Economic Affairs, around 200 guests, including ECEXA Clustermanager Dr. Heimo Propst came together for this special event at the Palais Niederösterreich to share experience on the topic internationalization.

The ECEXA Environmental Cluster Vienna is initiating global contacts for its cluster partners. Business delegations from India, Ethiopia, Nigeria, Ukraine, Brasil, Russia, China, Iraq, Iran, India, Yemen, Mozambique, Oman, Qatar, Romania, Serbia, Bosnia, Albania, Romania, Bulgaria, Sudan, Chad, Cameroon, Eritrea, Italy etc. visited the ECEXA Environmental Cluster Vienna to convince themselves of the Austrian achievements in modern waste management.

Contacts were also made with the high rank investors and business angels of „2-minute 2 million“, Katharina Schneider (mediashop) and Heinrich Prokop (Gutschermühle & Clever Clover) as well as with Alfred Berger (Management Board Marketing & Sales NÖM) to explore possibilities for cooperation.
