

## **ECEXA NEWS - Textile 2015**

ECEXA advises governments and major textile companies in Africa on behalf of UNIDO. Beginning with Ethiopia, 9 other East African countries will follow.

The order is:

- Clarification of process engineering issues
- Process optimization
- Determination of decision-relevant key figures
- Identification of improvement potential
- Installation of new process technology

The picture shows the ECEXA textil project team with the Ethiopian Minister of Industry

Mr. Günther Beck, E.C.E.X.A. Project Director  
Dr. Avinash P. Manian, Expert textile science  
Ms. Lisa Niedermayr, Expert textile design  
Mr. Tadesse Haile, State Minister of Ministry of Industry  
Mr. Tequam Tesfamarian, UNIDO Consultant
