

ECEXA FAIR NEWS - UNIDO Conference "Green City" October 2016

UNIDO Conference "One-Belt-One-Road Inclusive and Sustainable City Exhibition and Dialogue", 17 to 21 October 2016 at Vienna International Centre, UNIDO Headquarters.

Over the five days, more than 450 participants and permanent mission representatives attended the event, with about 50 cities from 25 countries represented. There were also present nearly 100 private-sector representatives, from companies here in Austria and worldwide, and a full roster of over 60 keynote speakers, moderators and panelists.

Active participation of the global South-South Cooperation community: The event has managed to bring together all the key actors and think tanks in the area of South-South Cooperation. The event received tremendous support from:

- Envoy of the Secretary-General of the United Nations on South-South Cooperation
- United Nations Office for South-South Cooperation
- Finance Center for South-South Cooperation (FCSSC)
- The South Center

ECEXA Vice President and UNCAV President Mr. A. Sharief with UNIDO Director-General Mr. Li Yong during the press conference on "One-Belt-One-Road Inclusive and Sustainable City Exhibition and Dialogue".

ECEXA President Senator Mr. Gerhard Kiennast and ECEXA Director Mr. Günther Beck at the presentation of the ECEXA "Green City Concept" – together towards the "Clean City".
